MediWallet

Dear client,

We at Bakenkop strive to try and accommodate our clients where possible and understand that when our beloved pets get ill, it can be an unforeseen expense.

That is why we are excited to announce that we have partnered up with MediWallet to offer our clients a payment option.

Please note:

- Mediwallet is an outside credit provider that specialises in credit for veterinary and medical practitioners.
- 5 % of the total bill will be added as an admin fee.
- No deposit is required: Except for the following:
 - ✚ Consultations after 23:00 – R1200 deposit required
 - ✚ Parvo (Katgriep) – R5000 deposit required
 - ✚ Critical Cases – deposit might be required
- Payment is over a period of up to 18 months.
- We need confirmation from MediWallet that you have been approved within 24 hours from day of admission.
- Your MediWallet application must be approved for the full treatment estimate before discharge. In the event that your MediWallet loan does not cover the full outstanding account the difference is payable upon discharge.
- In the event that your MediWallet application is declined, the full account is payable upon discharge.
- Your MediWallet credit may also be used for follow ups, annual checkups and vaccinations, medication and over the counter purchases including pet food.
